

DESIRE & BUILD

FOR PROJECTS 10K & UNDER

priced for
smaller
budgets

Is this for you?

Design is a costly and intensive process. This is a package that bridges the gap between aspiration and budget.

For smaller garden renovations the 'Desire and Build' package offers:

- a design overview.
- basic measurements for self-build.
- and basic planting plans.

what are the benefits?

- 1/3 of the full Mimosa Design package.
- It gives you a clear vision for your garden design
- There is 1 review of the design delivery.

It is not for you if:

- You have a garden budget of over 10k.
- You want support with contractors.
- You want to refine all the details to perfection.
